

Park Pride's 13th Annual Parks and Greenspace Conference is March 31

[Register now](#) for the Southeast's largest parks and greenspace conference. Park Pride's 13th annual conference is on March 31, 2014, at the Atlanta Botanical Garden. This year's conference theme is "Pipes to Parks: Creating Greenspace with Rainwater." Learn how green infrastructure transforms parks and the communities who enjoy them from world renown thought leaders. [Read more](#)

Prevent Child Abuse Georgia Relaunches Statewide 1-800-CHILDREN Helpline

Prevent Child Abuse Georgia

a provisional chapter of Prevent Child Abuse America

[Prevent Child Abuse Georgia](#), housed in the Center for Healthy Development at the Georgia State University School of Public Health, has relaunched the 1-800-CHILDREN Helpline. Now operational, the Helpline is an information and referral line for people who are concerned about the healthy development of children and the prevention of child abuse and neglect. Callers statewide can talk to a trained individual who care and wants to help. [Read more.](#)
